Palo Alto, California 94301

Dear Tegan and Carolyn:

We have enclosed a copy of the federal and State of California private foundation returns for Sunlight Giving for the year ended December 31, 2018. Please refer to the filing instructions in front of the federal and state income tax returns.

The public inspection rules require that the tax return remain open for public inspection for a period of three years after the date of filing. Please note that unlike public charities, private foundations must also disclose the list of contributors to the general public. The organization's exemption application and IRS determination letter granting the Foundation exemption from income tax are also open to public inspection by any person requesting to see these documents.

We did not audit the data submitted in preparing the returns; therefore, before signing, please review them to make sure there are no misstatements or omissions.

Should the Internal Revenue Service or state taxing authorities contact you, please advise us immediately. We will then be able to assist you in answering their inquiry.

Should you have any questions regarding these returns, please do not hesitate to call.

Very truly yours,
FRANK, RIMERMAN + CO. LLP
